

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

LIBRARY COMPANY OF PHILADELPHIA.

NEW SERIES, No. 47.

ROOMS, N. W. CORNER LOCUST AND JUNIPER STREETS,

ALSO

RIDGWAY BRANCH, INCLUDING LOGANIAN LIBRARY, BROAD AND
CHRISTIAN STREETS.

OPEN FROM 8.30 A. M. TO 6 P. M.

SUNDAY, 1 TO 6 P. M., FOR READERS ONLY.

Members of the Bell Telephone Exchange can communicate directly with the Library at Locust and Juniper Streets.

Persons wishing to have books kept for them may pay at the desk the cost of postal cards, and they will be notified when such books are in. Each card is good for one book only.

Members and Subscribers are allowed to open an account at the Ridgway Branch and take out the usual number of books—four volumes at a time.

As the Library needs many of its former Bulletins and Reports to complete sets for its own use and that of other Libraries and Institutions, the Librarian will be glad to receive any copies from members or others who may be willing to make such disposition of them.

EXTRACT FROM THE RULES.

Persons not members may take books out of the Library on the same conditions as members, by paying in advance twelve dollars for one year, six dollars for six months, or four dollars for three months, commencing at any period.

When, however, the books so taken out exceed in value the unpaid part of the subscription, a deposit of double the excess will be made.

OPEN FROM 8.30 A. M. TO 6 P. M.
SUNDAY, 1 TO 6 P. M., FOR READERS ONLY.

Members of the Bell Telephone Exchange can communicate directly with the Library at Locust and Juniper Streets.

Persons wishing to have books kept for them may pay at the desk the cost of postal cards, and they will be notified when such books are in. Each card is good for one book only.

Members and Subscribers are allowed to open an account at the Ridgway Branch and take out the usual number of books—four volumes at a time.

As the Library needs many of its former Bulletins and Reports to complete sets for its own use and that of other Libraries and Institutions, the Librarian will be glad to receive any copies from members or others who may be willing to make such disposition of them.

EXTRACT FROM THE RULES.

Persons not members may take books out of the Library on the same conditions as members, by paying in advance twelve dollars for one year, six dollars for six months, or four dollars for three months, commencing at any period.

When, however, the books so taken out exceed in value the unexpired part of the subscription, a deposit of double the excess shall be made.

SUNDAY, 1 TO 6 P. M., FOR READERS ONLY.

Members of the Bell Telephone Exchange can communicate directly with the Library at Locust and Juniper Streets.

Persons wishing to have books kept for them may pay at the desk the cost of postal cards, and they will be notified when such books are in. Each card is good for one book only.

Each Member or Subscriber is allowed to open an account at the Ridgway Branch and take out the usual number of books—four volumes at a time.

As the Library needs many of its former Bulletins and Reports, especially the older ones, to complete sets for its own use and that of other Libraries and Institutions, the Librarian will be glad to receive any copies from members or others who may be willing to make such disposition of them.

EXTRACT FROM THE RULES.

Persons not members may take books out of the Library on the same conditions as members, by paying in advance twelve dollars per year, six dollars for six months, or four dollars for three months, commencing at any period.

However, the books so taken out exceed in value the unexpired part of the subscription, a deposit of double the excess is made.

SUNDAY, 1 TO 6 P. M., FOR READERS ONLY.

Members of the Bell Telephone Exchange can communicate directly with the Library at Locust and Juniper Streets.

Persons wishing to have books kept for them may pay at the desk the cost of postal cards, and they will be notified when such books are in. Each card is good for one book only.

Each Member or Subscriber is allowed to open an account at the Ridgway Branch and take out the usual number of books—four volumes at a time.

As the Library needs many of its former Bulletins and Reports, especially the older ones, to complete sets for its own use and that of other Libraries and Institutions, the Librarian will be glad to receive any copies from members or others who may be willing to make such disposition of them.

EXTRACT FROM THE RULES.

Persons not members may take books out of the Library on the same conditions as members, by paying in advance twelve dollars for one year, six dollars for six months, or four dollars for three months commencing at any period.

However, the books so taken out exceed in value the unpaid part of the subscription, a deposit of double the excess must be made.

Librarian.

HIA.

OPEN FROM 9 A. M. TO 6 P. M.
SUNDAY, 1 TO 6 P. M., FOR READERS ONLY.

193152

Members of the Bell Telephone Exchange can communicate directly with the Library at Locust and Juniper Streets.

Persons wishing to have books kept for them may pay at the desk the cost of postal cards, and they will be notified when such books are in. Each card is good for one book only.

Each Member or Subscriber is allowed to open an account at the Ridgway Branch and take out the usual number of books—four volumes at a time.

As the Library needs many of its former Bulletins and Reports, especially the older ones, to complete sets for its own use and that of other Libraries and Institutions, the Librarian will be glad to receive any copies from members or others who may be willing to make such disposition of them.

EXTRACT FROM THE RULES.

Persons not members may take books out of the Library on the same conditions as members, by paying in advance twelve dollars for one year, six dollars for six months, or four dollars for three months, commencing at any period.

When, however, the books so taken out exceed in value the unexpired part of the subscription, a deposit of double the excess shall be made.

Members of the Bell Telephone Exchange can communicate directly with the Library at Locust and Juniper Streets.

Persons wishing to have books kept for them may pay at the desk the cost of postal cards, and they will be notified when such books are in. Each card is good for one book only.

Each Member or Subscriber is allowed to open an account at the Ridgway Branch and take out the usual number of books—four volumes at a time.

As the Library needs many of its former Bulletins and Reports, especially the older ones, to complete sets for its own use and that of other Libraries and Institutions, the Librarian will be glad to receive any copies from members or others who may be willing to make such disposition of them.

EXTRACT FROM THE RULES.

Persons not members may take books out of the Library on the same conditions as members, by paying in advance twelve dollars for one year, six dollars for six months, or four dollars for three months, commencing at any period.

When, however, the books so taken out exceed in value the unexpired part of the subscription, a deposit of double the excess shall be made.
